In Loving Memory of

Xavier Deleon

(July 24, 2001 - June 17, 2005)

Gone So Soon You took chances Once too many times. As a child you thought- "Oh no, never me. Life is a gift, Given and taken at some Unknown time. Your time came too soon- Your life was over in a flash. The fun you shared, The joy you brought, All just a memory- Behind us. He needs an angel strong but small, To shine light on many and give love to all. Before you go I give you this, half my heart and one last kiss. We'll miss you dearly that we know, But by God you were chosen, So to heaven, you must go.

Goodnight, My Angel song - By Billy Joel

Goodnight , my angel , time to close your eyes and save these questions for another day. I think I know what you've been asking me. I think you know what I've been trying to say. I promised I would never leave you. And you should always know wherever you may go , no matter where you are, I never will be far away. Goodnight, my angel, now it's time to sleep. And still so many things I want to say. Remember all the songs you sang for me when we went sailing on an emerald bay. And like a boat out on the ocean. I'm rocking you to sleep. The water's dark, and deep inside this ancient heart you'll always be a part of me. Goodnight, my angel, now it's time to dream. And dream how wonderful your life will be. Someday your child may cry, and if you sing this lullabye. then in your heart there will always be a part of me. Someday we'll all gone. But lullabies go on and on.... They never die. That's how you and I will be.

The image features two roses, one smaller and one larger, positioned in the upper right quadrant. They are set against a textured, light brown background that resembles aged paper or parchment. The roses are rendered in a soft, slightly faded style, blending into the background. The overall tone is warm and somber, appropriate for a condolence message.

Condolences

from the deepest of our hearts...

On the day God took you
I thought that I would die
I wondered where the time went?
I asked alot of whys??
With people all around me
I felt alone inside
From all their words of comfort,
I couldn't seem to hide,
I thought I might be dreaming
That I'd wake and find you here,
I thought "This can't be happening."
As I wiped another tear.
On the day that you were laid to rest
My heart broke yet again,
I wondered if the pain would end,
But mostly, I wondered when??
It's hard to be without you,
At times the days seem long,
Sometimes I just sit crying,
When there's really nothing wrong.
I wish we'd had more time,
Before your life was done.
I hope your resting peacefully,
My precious one

Saying Good-bye

Sitting here thinking about you,
I here you call my name,
Mommy Mommy Mommy
As I turn to see who's calling me
I see no one, only hear your voice.

I glance across the room,
To see if anyone else hears it too.

But no one seems to notice the look on my face.

I miss you so much,
I keep telling you,
But you don't seem to hear me.

Still you're calling out my name, only louder,
As the tears rolled down my face,
I glance around the room,
And see you amongst my family, and friends
The look upon your face says you're peaceful now.

I realized it was time to let you go.
Although I will always love and miss you.

I turn my head to see if anyone notices you.
Then I turn back, and you're gone.

I hear you, so very gently say,

"I love you", "Good- Bye!"
"Bye", I said . . .

In My Mind

Somewhere in my dreams tonight
I'll see you standing there
You look at me with a smile
"Life isn't always fair"

You say you were chosen for his garden
His precious hand picked bouquet
"God really needed me,
That's why I couldn't stay"

It's said to be that angels
Are sent from above
I've always had my angel
My brother - whose heart was filled with love

Wherever the ocean meets the sky
There will be memories of you and I
When I look up at that sky so blue
All I see are visions of you

"While there's a heart in me, you'll be a part of me."

Somewhere in my dreams tonight

I'll see you standing there

You look at me with a smile

"Life isn't always fair"

You say you were chosen for his garden

His preciously hand picked bouquet

"God really needed me,
that's why I couldn't stay"

It's said to be that angels
are sent from above

I've always had an angel

My cousin - whose heart was filled with love

Wherever the ocean meets the sky

There will be memories of you and I

When I look up at the sky so blue

All I see are visions of you

"While there's a heart in me, you'll be a part of me"

Every morning when I wake
An empty heart is now my fate
Angels hold you in my place
In heaven you'll have your space

And each day that I may live
I'll think of you and what God did give
In my mind you will always be
And in your memory I'll plant a tree

Every night before I sleep
I will have a lil weep
Rest in peace beloved cousin
I love you ... I love you
God seems to have chosen a good one.

LiL' Man,

You left so soon. To soon was your departure that I never had the chance to say Hello or Goodbye. Even though I did not know you there was always a space with your name in my heart. You are a precious child and you have earned your wings to fly along beside God. I ask you to please watch over us and protect us as I have faith that you are listening. I ask for strength for our family especially for Mommy and Daddy. Mommy knows best and she knows God as an important job to do. I guess you were a perfect angel and only an angel like you could fullfill the duties God has for you. You are missed LiL Man and I just wished that I could turn back the hands of time to just hold for once but God has a mission. With all the love in the world, my heart keeps a space for you till the end of time.

God Bless

P.S

To Mommy & Daddy:

May all the strength needed be on your side.

My silent child our precious baby, Close to my heart I'll keep you with me. An important job God has for you, There is love to give and work to do. He needs an angel strong but small, To shine light on many and give love to all. Before you go I give you this half my heart and one last kiss. We'll miss you dearly that we know, But by God you were chosen, So heaven, you must go Close to my heart I'll keep you with me. An important job God has for you, There is love to give, and work to do.

Life Story

every hour, every thought, every smile...

June 9, 2006

Xavier was born on July 24, 2001. He was the cutest baby.

Xavier DeLeon was a 3 year boy who was loved by everyone who came into contact with him. He wanted to be very helpful to people at every chance he had. He would always say to senior citizens when they were getting on or off the bus, (Can I Help You!), & (Be Careful!). Many people in the town of Phillipsburg, New Jersey know of his kindness, they have a special place in their heart for him. Although Xavier was 2 years old, he was very good at being kind to other children in his Early Head Start School. He made many friends. He was a student helper for his the teacher. He was also made an honorary bus monitor on his school bus by the bus driver. Because every time children got on the bus, Xavier will say (Sit down, put on your seat belt we are going to School now!). He was Very mush loved by his teachers in the Early Head Start School. For a matter of fact, the Phillipsburg Early Head Start School, is working on having a memorial Stone place in front of their School building in memory of him. There is a lot more to say of his kindness, but we'll just leave at that. If we could all learn to be as kind as he was! Oh what a beautiful world this would be. Xavier was diagnose with crohn's disease on oct 30, 2003. Then xavier had brain injury cause of his disease, then xavier was in vegetable state for 1 year and june 17, 2005 he went to heaven. We all miss him so much
